REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Sullivan Middle School continues to strive for excellence in all areas of education. We firmly believe it is our job to provide each student with a solid foundation for success. All of our students participate in the International Baccalaureate Middle Years Programme. We feel it is critical to prepare our students to be global citizens with the ability to think critically and problem-solve at a high level.

Our students are achieving at high levels. MAP testing data indicates that our students are progressing beyond expected growth. PASS data from last year also indicates tremendous growth in all areas. With a laser-like focus on student academic achievement, we are making learning gains as a school. We also realize that a successful school is much more than great test scores. It is our job to educate the whole child and provide multiple opportunities for student growth in all areas. We have a number of student clubs and organizations and encourage all of our students to be involved with their school.

Our students are involved with our community. Students worked hard to raise awareness of many local issues. We have worked with The American Cancer Society, Pennies for Patients, the Child Transplant Association, and a host of other charitable organizations. Our students have created art to display in local community centers. Teaching students to take an active role in our community is one of our core beliefs.

We have also continued to expand our use of technology. Many of our classes used blogging, podcasting, video conferencing, and a host of other tools to enhance students' learning this year. We also have a schoolwide podcast and blog, as well as a school twitter account, to keep the community informed about Sullivan.

We thank you for your support of Sullivan Middle School.
